

Craftin' Race (PnP) Print and Play

Instructions

You will need to provide the following components. The game works best if you use the specified colors -since they are used by gameplay-, however, if you want to replace them, make sure to have the right amount of items of the same color.

- 12 dice
 - 4 White
 - 4 Yellow
 - 4 Brown
- 16 tokens (8mm cubes, gems, and plastic chips are best). Optionally you can track your progress with pen and paper. Or print the tokens
 - 4 Green
 - 4 Orange
 - 4 Purple
 - 4 Blue
- 1 standard Mint Tin for storage (recommended)

Instructions

- Print the playing cards (first 4 pages). It is best if you use thick paper. Two sided printing is recommended.
- Optionally print pages 5 and 6 (also double sided). They contain
 - Instruction folio
 - Token trackers
 - Mint tin Box art
- Optionally, laminate the cards.
